

# CLIMATE CHANGE BIKE RIDE

Saturday November 4<sup>th</sup> 06, 10.00am

Don't let US climate inaction cost the earth

As part of the **International Day of Climate Action** on the Saturday before the Nairobi Climate Talks, come to the bike ride from Lincoln's Inn Fields to the US Embassy to insist that George Bush stops undermining attempts for coordinated international action to avert the imminent global threat of global warming.

**10.00am** Meet south side of **Lincoln's Inn Fields** to ride via Australian Embassy (who haven't signed Kyoto) and Downing Street (to call for effective action)

**11.30am** arrival at **US Embassy** for protest concert and rally at noon.

Please bring whistles and decorate your bikes with placards to let the public know why we are riding.

**1.00pm March for Global Climate Justice to Trafalgar Square**
